

Method 1

1. Print this file with exact size (Set printer as paper size of 100%)
2. Check the size of the measurement chart with your ruler.

3. Place your current ring with appropriate size over the circles below, matching the inside edge of the ring to the circle nearest in size.
4. Choose the larger size in case the rings falls between two sizes.

Method 2

You can also measure your ring using the following ruler.

Cut it out and wrap it around the finger you want to measure.
